## PARKLAND RCMP REMINDS THE PUBLIC ABOUT PORCH PACKAGE THEFTS

Submitted by Parkland RCMP

As the holiday season approaches, Parkland RCMP would like to remind the public to take precautions to protect themselves against porch package thefts. Through December, there is often an increase

in package thefts with the busy shopping season.

To help protect your deliveries, consider the following tips:

- Track your deliveries and pick up packages promptly,
- Provide clear delivery instructions, or ask couriers to leave items with

a trusted neighbor,

- Choose alternate delivery locations (such as workplaces, family homes, or courier pick up points),
- Use smart technology like video doorbells or smart locks to monitor deliveries.

## Anselmo Willing Workers Club Report

*Continued from Page 1*

This is his second year. Our general leaders are Eran Machan and Crystal Chittick. The projects we are having this year are Beef, Sheep, Horse, Archery, Foods, Sewing, Small engines, Swine, Green Certificate, Vet Sciences and Cleavers. Our club meetings will be held the first Tuesday of every month. All members must participate in a community service to complete their 4-H

year. Here are a few that we have already participated in; Anselmo Halloween party, Mane Attraction Producer Round-up, Library Trivia Night, Anselmo Christmas Market, and an Anselmo Christmas Movie. If you have gone to any of those events you might have seen some 4-H members helping out. The Lac Ste. Anne District had their beef Weigh-in the beginning of November. By the time you read this, Anselmo

Willing Workers will have had a float in the Mayert-horpe Light-up Parade. For our December meeting, the Foods members challenged the entire club to a Gingerbread house competition. The 1st place winners were Aynsley & Kenzi Bilyea with their gingerbread barn! 2nd place was Brooke and Ella Nelson. 3rd place was Olivia Cardinal. Thanks to all who participated! Merry Christmas! See you in 2026.

# WESTERN CANADA LOTTERY CORPORATION JOINS 2025 GIFT RESPONSIBLY CAMPAIGN

Submitted by Western Canada Lottery Corporation

Organization joins continental effort to raise awareness of the dangers of youth gambling

Western Canada Lottery Corporation (WCLC) is pleased to reaffirm its role as a Level 1 participant in the 2025 Gift Responsibly Campaign, standing alongside lotteries and community groups across North America and beyond to spotlight the dangers of youth lottery play. Led by the National Council on Problem Gambling (NCPG) and supported by the North American Association of State and Provincial Lotteries (NASPL), the campaign encourages adults to think twice before putting lottery products in the hands of minors.

Studies show that early exposure to gambling – especially during childhood – can increase the likelihood of devel-

oping gambling-related challenges later in life. For many kids, that exposure comes in the form of seemingly harmless lottery tickets or Scratch & Win products, often given by well-meaning adults who may not realize the potential risks.

“Educating the public about the risks of underage gambling and its potential harms is a responsibility we take seriously,” said Kevin van Egdom, Director, External and Stakeholder Relations. “Through the Gift Responsibly Campaign, WCLC is reinforcing its commitment to awareness and prevention – because healthy play begins with informed choices.”

As a Level 1 participant, WCLC will spend November and December reinforcing the campaign’s message through targeted social media outreach, retailer-focused communications, and on-terminal reminders designed to encourage re-

sponsible gifting.

“Youth gambling is a growing risk that too often goes overlooked. The Gift Responsibly Campaign plays a vital role in helping families and communities understand the importance of keeping lottery products out of kids’ hands,” said Derek Longmeier, President of NCPG’s Board of Directors. “We’re grateful to WCLC for joining this effort and working to expand education and awareness to protect young people from gambling-related harm.”

About Western Canada Lottery Corporation

WCLC is a non-profit organization authorized to manage, conduct and operate lottery and gaming-related activities as agent for its members, the governments of Alberta, Saskatchewan and Manitoba. The Yukon, Northwest Territories, and Nunavut participate as as-

sociate members.

Revenue generated by WCLC lottery sales in the Prairie provinces and northern Territories support priority programs and services throughout the region.

## THE COUNTY'S WINTER ROAD MAINTENANCE PROGRAM – IN A NUTSHELL

The County maintains range roads, township roads and subdivision roads. After a snowfall event, our Public Works crews begin to clear these corridors quickly, safely, and in accordance with standard County procedures.

With the goal to clear the County's road network as efficiently as possible after a snowfall event ends — our snow-clearing priorities are as follows:

- Priority 1:** Fire stations and main roadways – these routes carry the highest traffic volume, including collector roads
- Priority 2:** Local roadways – the feeder roads with lower traffic volumes
- Priority 3:** Subdivisions and hamlets
- Priority 4:** Snowplow flags, parking lots, and back alleys

Please keep in mind that the **Province of Alberta** is responsible for all maintenance including snow clearing on highways throughout the County. This includes **highways 18, 22, 33, 37, 43, 633, 642, 647, 654, 757, 764, 765 & 777**. The County has no jurisdiction over these highways.

# SITE SELECTED FOR A STAND-ALONE STOLLERY HOSPITAL

Submitted by Government of Alberta

Alberta's government has chosen a site for the new stand-alone Stollery Children's Hospital, marking a major step toward delivering a state-of-the-art pediatric facility.

The new stand-alone Stollery Children's Hospital will be located on the University of Alberta's South Campus in Edmonton, at the northeast corner of 122 Street and 51 Avenue. Alberta is continuing to grow, and this site was chosen for its large size, potential for future expansion and proximity to the university's existing hospital, supporting stronger collaboration with academic and research partners.

"Selecting the site for a new

stand-alone Stollery Children's Hospital is a major step forward towards building a new hospital in Edmonton that will serve children in Alberta, the rest of western Canada and the territories. This location gives us the space and flexibility to plan a modern facility that puts children and families first."

Martin Long, Minister of Infrastructure

As an undeveloped green space, the location would allow construction to begin without the need to demolish or relocate existing buildings, helping streamline the project timeline to deliver on the province's commitment to build another major hospital in the City of Edmonton. A new stand-alone Stollery Children's Hospital is vital to Alberta as it will support

high-quality pediatric care and address the increasing demand for specialized children's health services.

"This is an exciting milestone for families in Alberta and across Western Canada. A new, stand-alone Stollery Children's Hospital will ensure children receive world-class care in a modern facility designed to meet their unique needs"

Matt Jones, Minister of Hospital and Surgical Health Services

Alberta's government began investing in the Stollery project in 2021 with an initial \$1 million, matched by the Stollery Children's Hospital Foundation. Budget 2025 invested another \$11 million over three years to advance the planning and design for the new children's hospital which will serve families across Edmonton, northern Alberta and the Northwest Territories.

Planning is currently underway to determine the hospital's space, service and infrastructure needs. The planning phase is anticipated to be complete in 2026.

"This is welcome news, not just for Albertan children and families but also for healthcare professionals and researchers. A new, dedicated space will allow for

new technologies, increased specialized care, and further teaching opportunities for practitioners and researchers so we can deliver even more world-class care to our young patients."

Dr. Todd Alexander, chair, Department of Pediatrics, University of Alberta

"After years of planning and working with the Government of Alberta, this is a historic moment for kids' health and for every family who has ever walked through the doors of the Stollery. We are incredibly grateful to the Government of Alberta, the University of Alberta and everyone who helped make this land announcement possible."

Karen Faulkner, president & CEO, Stollery Children's Hospital Foundation

The current Stollery Children's Hospital opened in 2001 and operates within the aging University of Alberta Hospital and the Walter C. Mackenzie Health Sciences Centre in Edmonton. ## Obituaries

LATIMER, William 'Ted'

1939 – 2025

Mr. William 'Ted' Edward Latimer of Red Deer, Alberta passed away at Red Deer County, Alberta on Sunday, November 30, 2025 at the age of 86 years. Ted was born in 1939 at Edmonton, Alberta and grew up on a farm in the Dapp, Alberta area with his parents, Norman and Christine, and his five siblings. He moved to New Norway to attend High School in Camrose, Alberta and after graduation joined the Air Force in 1959 and after his tour was completed, he returned to Dapp. Ted met and married his wife, Andrea 'Dee' in Dapp and together they raised their two children on the family farm. In 1986, his devoted wife, Andrea 'Dee' passed away, and in 1988 he married Donna Latimer. Together they

lived in Onoway, Alberta and Ted worked at Lac Ste. Anne County as an Assessor for over twenty years. While there, Ted was involved with the Onoway Royal Canadian Legion Branch No. 132, where he served on the Executive and with the Legion for over fifty years. He was also involved with the Alberta Beach Lutheran Church Executive and volunteered as the Treasurer for the Blueberry Music Festival for many years. In 2023, Donna and Ted moved to Red Deer, Alberta, where they currently resided. Ted loved spending time listening to bluegrass music, attending fiddle contests, camping, and spending time with friends and being with family. Ted was devoted to God, his family, he was always willing to help neighbours and was always involved in his community. Ted will be lovingly remembered by his children, Bruce and Frances; his stepson, Tim (Darlene) Gourley; his stepdaughter, Jo-Ann (Calvin) Symington; his grandchildren and great grandchildren, as well as many nieces and nephews. He was predeceased by his parents; his brothers and sister; his first wife, Andrea Latimer; and by his second wife, Donna Latimer on September 11, 2025. A Celebration of Ted's Life will

be held on Friday, December 12, 2025 at 11:30 a.m. at the Westlock Memorial Hall - Elks Room, 9903 - 106 Street, Westlock, Alberta. A Public Visitation will be held from 11:00 a.m. - 11:25 a.m. prior to the Celebration of Life. A Graveside Service will follow the Celebration of Life on Friday, December 12, 2025 at the Dapp Cemetery, Dapp, Alberta. A luncheon will be held at the Westlock Memorial Hall - Elks Room following the Celebration of Life. If desired, Memorial Donations in Ted's honor may be made to the Onoway Royal Canadian Legion Branch No.132 at 4808 - 50 Street, Onoway, Alberta, T9X 1N1 or to the Heart and Stroke Foundation at [www.heartandstroke.ca](http://www.heartandstroke.ca). Condolences, memories and photos may be shared and viewed at [www.parklandfuneralhome.com](http://www.parklandfuneralhome.com). Arrangements in care of Parkland Funeral Home and Crematorium, 6287 - 67 A Street (Taylor Drive), Red Deer. 403.340.4040.

## SUDOKU

### of the week

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box.

**ANSWER:**  
Last Weeks

You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
