### MOBILE MAMMOGRAPHY SERVICE TO VISIT ONOWAY

Submitted by PCA

The Screen Test program will be in Onoway in June to provide screening mammograms to eligible individuals aged 45 to 74.

A mobile mammography trailer will be at the Onoway Heritage Centre, located at 4708 Lac Ste Anne Trail North, from June 16-17.

Screening is available at no cost for eligible individuals, but appointments are required. Call

1-800-667-0604 to book an appointment or learn more about the program.

A mammogram is an X-ray of the breast. Screening mammograms are the best way to find breast cancer early when treatment

may work better. Getting screened for breast cancer saves lives.

More information about breast cancer screening and who is eligible can be found by visiting [https://screeningforlife.ca/breast/get-screened/#who\\_should\\_get\\_screened](https://screeningforlife.ca/breast/get-screened/#who_should_get_screened).

### FIRESMART COMMUNITY CLEANUP A GREAT SUCCESS

Submitted by Summer Village of Val Quentin

The Summer Village of Val Quentin would like to thank everyone who participated in our first FireSmart Community Cleanup. The incredible turnout and community spirit made the event a tremendous success.

A special thank you goes to Deputy Mayor Barrie Ronaldson and his wife, Leslie Ronaldson, Councillor Kent Galusha and his wife, Lee Galusha, and Director

Emergency Management Janice Christiansen and her husband, Alan Christiansen for volunteering their time to assist with this event.

Thank you to Beachside Grind for providing coffee and muffins, and to Trevor and the team at Sandstone Waste and Water Services Ltd. for supplying the clean-up bins.

We would like to recognize Chief David Ives and the team from Fire Rescue International (FRI) for their outstanding sup-

port. Their expertise, leadership, and commitment to wildfire preparedness helped residents better understand how to protect their homes and properties from wildfire risk.

Throughout the morning, residents, Council members, and the FRI team worked together to remove branches, tree limbs, leaves, and other vegetation that can act as wildfire fuel. Several loads of organic debris were transported for proper disposal,

# Mobile Mammography Service To Visit Onoway

Continued from Page 1

Visit [https://screeningfor-](https://screeningforlife.ca/breast/screen-test-mobile-clinics/)

[life.ca/breast/screen-test-mobile-clinics/](https://screeningforlife.ca/breast/screen-test-mobile-clinics/) for more information and a complete

listing of communities that the Screen Test mobile visits.

Screen Test is improving access to cancer screening for thousands of individuals in Alberta communities where mammograms are not readily available.

In addition to mobile mammography clinics, screening can also be performed at specific radiology clinics and some hospitals. Individuals aged 45 to 74 can discuss their breast cancer risk with their healthcare providers to determine whether screening is appropriate for them and book with a radiology clinic or with Screen Test mobile mammography. For more information, visit [screeningforlife.ca/where-to-get-screened.ca](https://screeningforlife.ca/where-to-get-screened.ca).

Care is a lifelong commitment for Primary Care Alberta. We plan, fund and support primary healthcare across the province, improving access to care providers and offering front-line services through Health Link 811 and public health teams. Throughout the health journey, we are by your side – managing, preventing and reducing illness. Along with our partners, we nurture the connections our communities need to thrive and strengthen the health of all Albertans.

Two elderly gentlemen from a retirement centre were sitting on a bench under a tree when one turns to the other and says: 'Slim, I'm 83 years old now and I'm just full of aches and pains. I know you're about my age. How do you feel?'

Slim says, 'I feel just like a newborn baby!'

'Really!? Like a newborn baby!?'

'Yep. No hair, no teeth, and I think I just wet my pants.'

helping make our community safer.

Special attention was given to the Walking Trail area, where potential wildfire hazards were identified and removed. Additional work is planned in this area as part of our ongoing commitment to community safety and FireSmart principles.

The level of participation exceeded expectations and demonstrated how much our residents care about protecting our community. Every yard cleaned, branch removed, and FireSmart action taken helps reduce wildfire risk and strengthen community resilience.

Did You Know?

Fire Rescue International offers free FireSmart Home Assessments for Communities within their service area! These assessments provide personalized recommendations to help reduce wildfire risk around your proper-

ty. To schedule a free assessment, contact Fire Rescue International at 1-855-710-3473 or email david.ives@firerescueinternational.net.

Why FireSmart

Wildfires do not recognize property lines. When homeowners take steps to reduce hazards on their properties, they help protect their neighbours and the entire community. FireSmart practices make neighbourhoods safer, reduce wildfire impacts, and help emergency responders protect homes and infrastructure.

The success of this event showed what can be accomplished when a community comes together with a common purpose. We are proud of the enthusiasm, hard work, and commitment shown by our residents.

Thank you to everyone who volunteered, participated, and supported this important initiative. Together, you are helping make Val Quentin safer, stronger, and more FireSmart.

# WHITECOURT TOWN COUNCIL UPDATE

Submitted by Town of Whitecourt

Each year, Whitecourt prepares an annual report for the Automated Traffic Enforcement Program (photo radar) which is available on our website. The program helps to promote safer driving habits, enhances public awareness, and contributes to the overall safety of residents. Automated Traffic Enforcement throughout Alberta is regulated by the provincial government, and all locations must be approved by the Province. Whitecourt will be forwarding a letter to the government encouraging greater autonomy for municipalities to determine locations for enforcement.

Canada Day Celebrations will be held throughout the day on July 1 in Whitecourt. For details on the celebration, visit [www.whitecourt.ca](http://www.whitecourt.ca).

Whitecourt Town Council has awarded \$27,012.93 in funding under the 2026 Enhancement Grant Program. The grant provides funding for programs, services and special events organized by local groups that enhance arts, culture and recreation in the community. Recipients include:

- Five6Seven8 Cheer Association – Special Abilities Enhancement Project: \$6,158.15
- Whitecourt & Area R/C Club – Rental Fleet for newcomers to try RC racing: \$3,426.78
- Whitecourt Drama Society – Summer Camp 2026: \$2,500.00

\$2,500.00

• Whitecourt Minor Soccer Association – Technical Development Training Pilot Project: \$14,928.00

Councillor Braden Lanctot has been appointed as a Certified Panelist of the Capital Region Assessment Services Commission Assessment Review Board.

Whitecourt Town Council has approved a one-year extension to June 30, 2027 for the Bank of Nova Scotia Banking Agreement.

Whitecourt Town Council has adopted Policy 12-031 – Policy Management Program which guides the protection and safeguarding of personal information held by the Town of Whitecourt.

Whitecourt Town Council has established an Ad Hoc CT Scanner Regional Advocacy Committee that will support efforts already underway in the community to acquire a CT Scanner for the Whitecourt Healthcare Centre. Whitecourt will be inviting municipalities from across the region to participate in this advocacy effort.

MLA Martin Long shared an invitation to Whitecourt Town Council to his annual Golf Tournament on August 21, 2026.

Gail Hadfield has been appointed to serve on the Town of Whitecourt Library Board.

## PARKLAND RCMP REQUEST ASSISTANCE IN LOCATING A STOLEN VINTAGE SAFE

Submitted by Parkland RCMP

On May 1, 2026, Parkland RCMP received a report that a vintage 1,000lb Winnipeg Safeworks brand safe was stolen from a residence near 52nd avenue in Stony Plain. The theft is believed to have occurred between April 25 and May 1, 2026. A witness reported that on either April 27 or 28, they observed a dark coloured truck with a trailer using a winch to load the safe onto the trailer.

Police are requesting that anyone with information regarding the whereabouts of the safe or its contents please contact the Parkland RCMP non-emergency line at 825-220-7267.

# PARKLAND RCMP INVESTIGATE FUEL THEFT AND EQUIPMENT DAMAGE EXCEEDING \$5,000

Submitted by Parkland RCMP er containing equipment. Approximately \$20,000 in diesel fuel was stolen, and the damage to equipment on site is estimated at over \$5,000.

At approximately 6:07 a.m., on May 28, 2026, Parkland RCMP received a report of a fuel theft and mischief at a site near Highway 16A in Acheson. The incident occurred overnight, between 7:30 p.m. on May 27, 2026, and 5:30 a.m. on May 28, 2026.

Police are requesting that anyone with information regarding this occurrence to contact the Parkland RCMP non-emergency line at 825-220-7267

Suspects drove a dually truck onto the site, exited the vehicle, and entered an excavator, which they used to tear open a trail-

## Have you ever wondered?

- Why Paul said we are justified by Faith Romans 3:28 but James says we are justified by works James 2:24?
- Or why Paul says we are not under the law Romans 6:14 but Jesus says lawbreakers will not enter into the kingdom of heaven Matthew 7:21-23?
- Or why John says you get eternal life by believing John 3:16, but Hebrews 5:9 says you get eternal life by obedience?
- Or do we need to keep God's laws or Jesus' laws?
- Or if we need to keep the seventh day Sabbath?

We have wondered the same; the answers we found are amazingly simple. Please come and join us Saturday mornings at 11 am, as we discuss these and other Bible related questions.

# FASTER CHILD-CARE INCIDENT NOTIFICATION

Submitted by Government of Alberta

Alberta's government is taking steps to strengthen communication with parents and the public about high-risk incidents in child-care facilities.

Effective June 1, licensed child-care facilities must post on-site notices of high-risk, potentially criminal incidents reported at their programs. These notices will go up within one business day (or as soon as reasonably possible) after incidents are reported, in areas visible to parents. A notice will also be posted on alberta.ca with the program name and the date on which the incident was reported. Families whose children are involved in such incidents will continue to be notified directly by their respective child-care programs.

The vast majority of Alberta's child-care providers are dedicated to children's health, safety and well-being, but when serious incidents do happen, parents have been clear they need more information sooner. In response to these concerns, Alberta's government is making improvements to parental and public notifications to keep families informed about serious incidents at child-care facilities.

"The safety and well-being of children in child care is our highest priority. We've heard from parents that they want clearer, more timely information about serious incidents, and this change is an important first step. While these incidents are rare, we will continue strengthening how we keep parents informed and support safe, high-quality care."

Demetrios Nicolaidis, Minister of Education and Childcare

Under the current system, child-care providers must only notify families if their child is directly affected by an incident. The new requirement to post notices about high-risk, potentially criminal incidents in an area visible to all parents is the first in a broader set of actions Alberta's government will take to strengthen transparency and communication.

In addition to on-site notices, Alberta's government is also encouraging providers to post safety plans in highly visible areas of their facilities. These plans are approved by Education and Childcare and outline safety measures to be fol-

lowed after an incident.

"Clear, timely communication with families following a serious incident has been part of the YMCA of Northern Alberta's standard operating procedures for many years. We are very pleased to see these practices being rolled out across the province because the safety, well-being and trust of children and families must always come first."

Katherine O'Neill, president and CEO, YMCA of Northern Alberta

Alberta's government worked with child-care providers, law enforcement, and legal and privacy

experts to develop these new policies. In the coming months, Alberta Education and Childcare will work with the child-care sector to explore opportunities for longer-term safety and transparency enhancements.

"The safety and well-being of children in our care is our highest priority. Families place an enormous amount of trust in child-care providers, and we support the government's efforts to strengthen transparency around serious incident reporting and notification. While serious incidents remain rare, parents deserve timely com-

munication, clear information about what occurred, and confidence that appropriate steps are being taken to support ongoing safety and prevent similar situations in the future."

Victoria Sopik, CEO, Kids & Community

**DETOURS & DELAYS AHEAD DURING CONSTRUCTION SEASON**  
[LSAC.ca/infrastructure](http://LSAC.ca/infrastructure)  
 The County has several road and infrastructure projects in the works. These include some short-term projects as well as longer-term construction initiatives.

These projects are part of the County's ongoing efforts to enhance roadway safety, improve driving conditions, and respond to community feedback. More details will be shared as specific project timelines and locations are confirmed.

**The following Public Works projects are currently or soon to be underway:**

**Dust Suppression Program:**  
 This program has begun in Division 5—the Darwell area. Scheduled work will proceed east around Lac Ste. Anne (lake) then continue northwest through the County.

**Summer Graveling Program:**  
 You may notice graveling in areas to support the Dust Suppression Program, this may be done to ensure a road surface is best prepared for the suppressant application. The Summer Graveling Program will soon get underway, starting location yet to be determined.

**Culvert Replacements:**  
 This work is ongoing as deemed necessary. Please watch for alerts on the County's social media channels in advance of road closures and detours due to construction.

**Road Closure Alert:**  
 We're advising motorists of a full road closure of Twp Rd 574 A / 50 Avenue between Riverside Drive and Highway 43, west of Mayerthorpe. Due to the development of a small sinkhole this road will be closed until further notice.

This is a Bridge Project (BF13468) that remains on schedule for replacement, with construction anticipated for this summer. The County apologizes for the inconvenience and appreciates the patience of affected motorists.

Construction season is here—please slow down, follow posted signs, and watch for workers. Your caution and diligence helps keep everyone safe.

# NON-SURGICAL WEIGHT LOSS OPTION NOW AVAILABLE IN ALBERTA

Submitted by AHS

Albertans now have access to non-surgical treatment for obesity – a minimally invasive weight-loss procedure performed by bariatric surgery and gastroenterology teams at the Royal Alexandra Hospital.

Endoscopic sleeve gastroplasty (ESG) reduces the stomach size by suturing it internally. The surgical team inserts a thin flexible tube with a camera down the mouth to reach the stomach. They then use tools through the endoscope to stitch the stomach from the inside to reduce the size of the organ. The procedure typically takes about 90 minutes.

For years, Mary-Ann Thurber felt hesitant about the risks associated with bariatric surgery as a long-term weight management treatment. The 65-year-old patient in the Edmonton Adult Bariatric Specialty Surgery Clinic at the hospital found short-term success with appetite suppression medication. She was offered the new procedure as an alternative treatment option.

Like bariatric surgery, the new procedure makes patients feel full with less food, leading to weight loss and improvement in weight-related conditions such as diabetes, high blood pressure and sleep apnea.

“Unlike a laparoscopic sleeve gastrectomy, where upwards of 80 per cent of the stomach is removed, ESG uses an endoscopic suturing device to fold and stitch the stomach tissue into a smaller shape, keeping the entire organ in place,” says Dr. Kirles Bishay, gastroenterologist at the hospital. “Thanks to new technology, we can reduce the size of the stomach without removing any part of the stomach, meaning ESG patients have a lower risk of surgery and quicker recovery.”

Thurber stopped taking her appetite suppression medication shortly before the ESG procedure and is expected to continue to see some weight loss post-procedure, without the ongoing support of medication.

In the past five years, more patients are finding success with weight management with the increase of glucagon-like peptide-1 (GLP-1) prescribed medications on the market; however, stopping the medication can often lead to weight regain.

The endoscopic device, which allows surgeons to suture the stomach from the inside, was approved by Health Canada in February 2024. The endoscopic procedure is jointly performed by a surgeon and gastroenterologist through the Edmonton Adult Bariatric Specialty Surgery Clinic at the Royal Alex, which is the only facility in Alberta where the procedure is performed. Since first performing the procedure in December, the team has completed eight procedures, mak-

ing the Royal Alex now home to the largest ESG program in Western Canada.

A referral to the Edmonton Adult Bariatric Specialty Surgery Clinic at the Royal Alex by a physician, nurse practitioner, or specialist is required for adults who struggle with obesity and meet clinic criteria. This clinic is a bariatric surgical clinic only. In preparing for bariatric surgery, medical and psychological interventions are provided to patients to ensure they are suc-

cessful pre and post-surgery.

Alberta Health Services provides a range of healthcare services for more than five million adults and children living in Alberta. Our mission is to provide excellent, patient-focused healthcare that is accessible and sustainable for all Albertans. Our current focus is on reducing emergency department wait times, increasing access to surgeries, and improving patient flow.

# SUDOKU

of the week

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box.
