### PARKLAND RCMP REQUEST FOR INFORMATION REGARDING JACKFISH LAKE BOATING INCIDENT

Submitted by Parkland RCMP

On Aug. 26, 2026, at approximately 7:15 p.m., Parkland RCMP received a 911 crash notification originating

from Jackfish Lake. The notification indicated the sound of a boat engine running, but no other communication heard.

Through investigation, police spoke with two individuals

who reported that their inflatable boat had been struck by a Sea-Doo travelling at a high rate of speed. The collision caused both occupants of the

### PARKLAND RCMP SEEK PUBLIC ASSISTANCE TO IDENTIFY YOUTHS IN ARSON INVESTIGATION

Submitted by Parkland RCMP

On July 23, 2026, at approximately 11:45 p.m., Parkland RCMP received a report that two male suspects set a portable toilet on fire near Brickyard

Drive and Brickyard Cove in Stony Plain. Upon further investigation, police determined that there was also fire damage to a nearby residence.

The first suspect is described as:

- Male youth,

• Wearing a green/grey shirt,

- Khaki/grey shorts,
- Black shoes,
- Riding a scooter with blue lights underneath.

The second suspect is described as:

### FALL UPDATE FROM TIPPLE PARK MUSEUM

Submitted by Tipple Park Museum

Another busy summer at Tipple Park Museum is winding down. Renovations to our building have brought new challenges,

but we have continued to provide tours and a variety of summer programming.

For the last few months, the museum has been undergoing renovations to provide space for the Evansburg Public Library.

An addition is being built on the back of the building as well as some internal re-configurations. When renovations are complete, the museum and library will both operate out of the

### JOKE of the week

On a drive in the country, a city slicker noticed a farmer lifting a pig up to an apple tree and holding the pig there as it ate one apple after another. "Maybe I don't know what I'm talking about," said the city slicker, "but if you just shook the tree so the apples fell to the ground, wouldn't it save a lot of time?" "Time?" said the farmer. "What does time matter to a pig?"

# Fall Update From Tipple Park Museum

*Continued from Page 1*

current Tipple Park Museum building. Our outbuildings are unaffected by the renovations and will continue to be available as long as weather permits (typically early-mid October).

Staff have also been busy planning for fall events. On September 5th, 12 - 5 pm, we will be hosting a Renais-

sance Fair at the Entwistle Rodeo Grounds. This will be an afternoon full of activities for all ages, inspired by the Renaissance and Medieval periods. Activities include an interactive quest game, reenactors, petting zoo, bounce joust, artisan market, and more! Participants are encouraged to come in costume. Admission is free, though tickets

are required for some activities. Please note as well that the Evansburg Farmers' Market will relocate to the Renaissance Fair for the day, and will not take place at the Tipple Park on September 5th.

We are also planning to hold our annual Pumpkin Festival on October 2nd in Tipple Park. Keep an eye out for updates as October

approaches.

For more information, contact the museum at [info@tippleparkmuseum.ca](mailto:info@tippleparkmuseum.ca) or 780-727-2240. We also provide information about our programs on our website, [tippleparkmuseum.ca](http://tippleparkmuseum.ca), as well as our Facebook page.

## COUNCIL HIGHLIGHTS

Submitted by Yellowhead County

2027 Interim Budget Deliberation Dates

Council set meeting dates for 2027 Interim Budget Deliberations for October 19th, October 26th, and November 9th, 2026, from 9:00am to 12:00pm.

2026 Council Open House

Dates

As per policy 1100.15, Council aims to have three (3) Open Houses annually to allow for public engagement of municipal operations. Council set the 2026 Open House dates for October 6th (East End), October 13th (Central), and October 20th (West End). All meetings will be held from

7:00pm to 9:00pm, and exact locations will be decided as per hall availability and will be announced on the Yellowhead County website and social media.

Brule Rodeo Grounds Decision

Following presentations from the Brule Community Society and the Brule Heritage Rodeo Foundation at

previous meetings, Council made the decision to retain Recreation Lease 170002 under the current terms and conditions. Council also directed Administration to negotiate a 10-year Operational Agreement with the Brule Community Society for the operation and maintenance of the Brule

### REQUEST FOR BID Tipple Park Outhouse Cleaning Services For Yellowhead County

Yellowhead County requests a tender submission from parties interested in performing the work identified below.

Sealed tender marked: **RFB-TP-PARKS26**  
Will be received until: **4:00 P.M., September 4, 2026**

**For the following work:** Outhouse cleaning and stocking services for Tipple Park from January 1, 2027 to December 31, 2029.

#### Submission of Bids:

Yellowhead County will receive **E-mailed Bids**, identifying **RFB-TP-PARKS26** in the subject line and addressed and delivered to:

Katherine Kenworthy, Parks Coordinator  
Yellowhead County  
E-mail: [kkenworthy@yhcounty.ca](mailto:kkenworthy@yhcounty.ca)

Bid submissions can also be **mailed** to the Yellowhead County Administration Office identifying **RFB-TP-PARKS26** on the envelope, to be addressed to:

2716 - 1st Avenue, Edson, Alberta, T7E 1N9

Successful proponents must provide proof of WCB coverage as well as liability insurance with Yellowhead County listed as an additional insured. Closing Time is based on when the Bid is RECEIVED by the County, and NOT when a Bid is submitted. The County shall not be responsible for any delivery issues, whether caused externally or internally. Proponents are encouraged to seek confirmation from the County that their Bid has been received.

To view the full Request for Bid, please visit [yhcounty.ca/tenders](http://yhcounty.ca/tenders).

For further information, please contact Katherine Kenworthy, Parks Coordinator by email at [kkenworthy@yhcounty.ca](mailto:kkenworthy@yhcounty.ca) before the end of the day on September 1, 2026.

## School Bus Safety

A reminder  
about school  
bus safety on  
Yellowhead  
County roads.

**Please remind your children to...**

Be aware  
of graders,  
school buses,  
industry  
trucks, and  
regular  
traffic.

Be aware  
of weather  
conditions  
such as snow,  
fog that limit  
visibility.

Keep a safe  
distance  
from the road  
when waiting  
for the  
school bus.

Wear bright  
colours or  
clothing with  
reflective  
material.

Have a safe and happy  
school year!

## PREPARING YOUR FIREPLACE OR STOVE FOR THE SEASON

Fireplaces and wood-burning stoves not only can be beautiful focal points within a home, but they also provide an additional source of heat and can be used

to keep rooms or entire homes comfortable without the need for additional and potentially costly heating sources.

Just like more modern home

heating systems, stoves and fireplaces need to be maintained, and that maintenance includes readying them before winter when they are used more heavily. Ensuring a fireplace or stove is in good working order helps to guarantee efficiency of use and safety during the winter months.

Open-flame heating sources carry with them certain risks. The National Fire Protection Association states that, between 2009-2013, American fire departments responded to 56,000 home structure fires that involved heating equipment. The NFPA notes that the leading factor contributing to home-heating fires is a failure to keep things clean, principally from solid-fueled heating equipment. The following are a hand-

ful of ways to stay safe as you get ready for another cozy season around the fire.

Start with the chimney. Begin by having your chimney thoroughly cleaned and inspected. Creosote can build up inside of the chimney. Creosote is highly flammable and becomes more difficult and expensive to clean the longer it builds up inside your flue lining. In addition, animals may have created nest inside of the chimney since the last time the fireplace was used. A professional chimney sweep should be hired in this situation. He or she will be able to effectively clean the chimney in a manner that is the least messy and disruptive to residents.

# fall HOME RENO GUIDE

## Preparing Your Fireplace Or Stove For The Season

*Continued from Page 8*

- Install or check smoke and carbon monoxide detectors. Operational alarms are essential to preventing injury or death resulting from smoke or carbon monoxide inhalation. Such detectors are inexpensive safeguards that should be installed on every floor of the house. Batteries should be replaced every six months, and the alarms themselves should be changed every five to 10 years.

- Inspect the chimney from outdoors as well. Inspect the mortar around any bricks in the chimney and surrounding areas for cracks. If left unaddressed, these can cause dangerous fires. If there are serious cracks, a professional may need

to make repairs or the chimney may need to be replaced. You also can have the chimney capped with a screen to keep animals and debris from entering.

- Inspect the damper. A damper is a valve or plate that stops or regulates the flow of air inside a chimney. It should be checked prior to the first use of a stove or fireplace so homeowners can be certain it opens and closes smoothly.

- Clear out flammable items. Move flammable items away from the front of a fireplace or stove. Be sure curtains or other home furnishings are far enough away that they will not catch fire from any errant sparks or flames.

- Order wood now. Be

sure there is plenty of wood for the season. Ask a wood supplier to estimate just how much will be needed, and double-check that the wood will arrive in time

for the start of the season.

By preparing for fireplace and wood stove use now, homeowners can ensure their winters are comfortable and safe.

## Council Highlights

*Continued from Page 4*

Rodeo Grounds on Recreation Lease 170002.

Marlboro Community Hall Engagement Update

Following Council engagement with representatives from the Mountainview Rec Society, Administration was directed to proceed with the design, tendering, and construction of a commercial kitchen addition at the Marlboro Community Hall, and to initiate community

engagement in 2027 regarding long-term future needs and potential expansion opportunities for the facility.

Yellowhead County Land Inventory

Administration presented a compiled inventory of land owned by Yellowhead County that were identified as having a high potential for sale. Council reviewed the 14 identified parcels and directed Administration to

proceed with their sale.

Bylaw 08.26 – Land Use Bylaw Amendment RD to ID

A Land Use Bylaw amendment application (Bylaw 08.26) was received to change part of SE-12-53-18-W5M from Rural District (RD) to Industrial District (ID). Council gave First Reading to Bylaw 08.26 and set a Public Hearing date for October 13, 2026.

Road Planning Workshop  
As part of long-range

road planning, Council scheduled a half-day road workshop for September 17, 2026, at 9:30am. The plan may identify enhanced standards for specific roads, a paving program, new road construction, revised service levels, and other infrastructure priorities. This will help Council prioritize projects over the coming years.

Non-Residential Property Tax Agreements

Council entered into a non-residential property tax agreement with Jixing Energy (Canada) Ltd. for their outstanding property tax balance for property tax years 2023/2024/2025/2026. Council also entered into a non-residential property tax agreement with JX Energy Ltd. for their outstanding property tax balance for property tax years 2024/2025/2026.

## ALBERTA SEPARATION FROM CANADA

Submitted by Glen Hoover

How can Alberta separate from Canada? "We are Canadian!" We must try to fix it – not break it.

If Danielle Smith isn't representing the majority of Albertans that elected her we should have a no confidence vote. I agree that each province within Canada must have their say in what happens in their province but I'm wondering if those seeking independence are thinking about the future and the future of our children and grandchildren. Independence from Canada will

# Albertas Separation From Canada

*Continued from Page 10*

create for Albertans for years to come, hardship and turmoil. Lets seek reforms in the number of elected Members of Parliament in each province so federal elections can mean something to western and eastern Canada and not have the elections over before we even vote. The present system only serves Quebec and Ontario with the high populations in those provinces. Each province and territory, big or small, should have the same number of seats – then add a small percentage for population differences. Then the Feds are accountable to all of Canada for what and where they spend our tax dollars.

The immigration explosion has become a huge problem for our schools, hospitals, housing and respect for Our Canada. The Canadian flag should be the only one flown in Canada and those living here must be willing to salute and respect it. To become a Canadian one must be willing to accept the rules and regulations in this country. Our government must treat all Canadians equally – not hand out money and privileges to one sector. Our ancestors came to Canada to make a home and a better life, with very little money but with a lot of hard work and determination and no help from the government. They expected to make their own way.

My opinion is that Canada needs Alberta so lets start negotiating. If you are not satisfied with Canada, which Alberta is a part of, maybe you could move somewhere where you will be happier. If its broken and you care, lets fix it – not run from it. A vote for separation is a vote for losing our National Parks and army training bases. We Albertans can help make Canada Strong and Free!

# A RAM-ARKABLE NEW WAY TO SUPPORT ALBERTA CONSERVATION

Submitted by Government of Alberta

Albertans now have an exciting new way to show their pride and support conservation efforts across the province with a special licence plate.

Alberta's new conservation licence plate is shown against Mount Nestor and Goat Mountain, overlooking Spray Lakes Reservoir.

Alberta's government is launching its first conservation-focused specialty licence plate. Proceeds from sales of the new plate will be directed to the Alberta Conservation Association, a trusted organization with a long history of stewardship, habitat restoration, wildlife research and support for

sustainable outdoor activities across Alberta.

Every purchase helps fund critical, on-the-ground work, from restoring habitats and monitoring wildlife to advancing research and supporting community-driven conservation programs across Alberta.

"Alberta's wildlife and wild places are a source of pride for people across our province. This licence plate gives Albertans an innovative, simple and visible way to support conservation while celebrating one of our most iconic species. Every plate sold helps protect habitats and keeps our fish and wildlife populations healthy for future generations."

Todd Loewen, Minister of Forestry and Parks

"This new licence plate gives Albertans another way to show their pride in our province while helping protect the wildlife and wild spaces we all enjoy. It's a simple way to make a difference while putting a little more Alberta on your vehicle."

Dale Nally, Minister of Service Al-

berta and Red Tape Reduction

The plate features an iconic painting of two of Alberta's famous bighorn sheep with Mount Lougheed in the background. The Rocky Mountain bighorn sheep is Alberta's provincial mammal and one of the province's most recognizable and celebrated species. Artwork for the plate is based on a commissioned piece by Alberta artist Desmond McCaffrey.

"The licence plate provides a great opportunity for every Albertan to show their support for wildlife and wild spaces! Funds received from the sale of the plate will go directly toward enhancing fish and wildlife populations, and the habitats they depend on."

Todd Zimmerling, president and CEO, Alberta Conservation Association

"Hunters and anglers have long been a part of Alberta's commitment to conservation and the sustainable use of our natural resources, and this licence plate lets every Albertan join in. The bighorn sheep, a symbol of strength and

resilience, is a fitting choice. Every plate sold goes directly to conserving our wildlife and wild places, a first for conservation in Alberta."

Matt Besko, executive director, hunting and fishing branch, Alberta Forestry and Parks

"This is a great opportunity for Albertans to play a direct role in conservation across our province. This initiative will put more resources into conservation work and support projects that make a real difference on the ground."

Ryan Caswell, CEO, Ann and Sandy Cross Conservation Area

By choosing this specialty plate, drivers can proudly contribute to safeguarding Alberta's diverse ecosystems and the species that call them home. With each plate purchased, Albertans are helping ensure that future generations can continue to enjoy the breathtaking landscapes and wildlife that define the province.

## SUDOKU

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box.

**ANSWER:  
Last Weeks**

You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

|   |   |   |   |   |   |   |   |   |
